

**Title:** DiSC® Agile EQ – Flexibility is Key  
**Duration:** 60-90 minutes  
**Speaker:** Deborah Jenkins, PHR, SHRM-CP

**Course Description:**

Fact: 94% of managers, directors, and executives say that agile and emotional intelligence are more important to their organization's success now than they were five years ago. Everything DiSC Agile EQ is a classroom training and personalized learning experience that teaches participants to read the emotional and interpersonal needs of a situation and respond accordingly. Discover how this can be a valuable tool for you and for your team.

With this resource-loaded, fast-paced, and relatable course, you will receive tools, tips, and techniques to use to successfully lead your team. By the conclusion of this training, you will have actionable items and tools to implement the learning objectives and achieve sustained success.

This is a PowerPoint instructor-led presentation that includes lecture, audience participation, key takeaway action plans, and is qualifiable for 1.0 CEUs/instruction hour.

**Course Objectives:**

- Discover the instinctive mindsets that shape their responses and interactions
- Recognize opportunities to stretch beyond what comes naturally to them
- Identify actions to become more agile in their approach to social and emotional situations
- Understand how emotional intelligence can be ever evolving
- Explore best practices
- Learn tips and techniques
- Determine expectations and responsibilities

**Course Outline:**

1. Understanding Self
2. Understanding Others
3. Understanding How to Adjust Responses with an Agile EQ

**Why Attend:**

Attending this training will help you and your team grow professional skills and discover how to work towards continued success for yourself, your team, and your organization. It will help you to advance your current success, boost your chances to meet your future goals and aspirations, and to inspire others to follow your lead. Further, this course will help your team better understand company-wide expectations of individuals and teams to achieve desired results. When workplaces incorporate these cultural principles, the work environment becomes a place to look forward to coming into with enthusiasm.

If developing your skills aren't prioritized by you or your organization, you risk individual, team, department, and organizational failure without everyone reaching their full potential.

**Who Will Benefit:**
